

L.A.M.B. Services ~ Prison Update

*****Special Opportunity Available*****

The donations that we have been receiving for the Good & Evil book distribution has fallen far short of the requests we are receiving from prisoners on a daily basis. Lately, the requests have not increased in volume, but the donations we have specifically received for them have declined. We have approximately 775 unfulfilled requests, and we get about 30 new ones each day.

We received a phone call a couple days ago from No Greater Joy Ministries, because they noticed that we haven't placed any orders for more Good & Evil Bible Books for a while. Upon sharing the fact that we are waiting on more funds, they sent us back a proposal to buy the books at a discounted rate of \$2.30 per book, for a limited amount of time. They have a real heart for ministering to those in prison, and want to do all they can to see the Good & Evil book distribution to continue.

Normally, we can order the Good & Evil books at the book cost of \$4 each, and with postage & envelope it costs us a total of \$8.25. Retailing at \$24.95, this is already an incredible price.

We wanted to inform you of this special opportunity, to buy the books below the publisher's cost; which allows us to buy them at a 42% discount of our normal cost of \$4 per book. This discounted rate is only available until October 31st. We appreciate any level of support you feel to give.

“Every man according as he purposeth in his heart, so let him give; not grudgingly, or of necessity: for God loveth a cheerful giver.” 2 Corinthians 9:7
